Re: Underground Utility Damage Prevention Act of 1978, § 58-35-70 - Operators association for mutual receipt of notice of excavation or demolition; reports.

(A) Operators must form and operate an association providing for mutual receipt of Section 58-35-60 notification of excavation or demolition operations in a defined geographical area. An association that provides this service on behalf of operators having utilities within South Carolina must file with the South Carolina Public Service Commission and provide to the Office of Regulatory Staff the telephone number and address of the association, a description of the geographical area served by the association, and a list of the names and addresses of each operator receiving this service from the association.

Attached is a list of the names, addresses and telephone numbers of each operator receiving service from Palmetto Utility Protection Service for the state of South Carolina.

Sincerely,

Susan Wilson  
Director of Human Resources
